LOGNOTE -- Chief, Operations Group, 18 October 1984

2. [] Following from this morning's staff meeting:

- The DCI met with Gen. Zia the other day. All is well in relations between the Agency and Pakistan government.
- GEHA is preparing a film on the new benefits under the Association Plan.
- The combined Federal Campaign gets under way next month. Last year 56% of employees did not pledge. DCI nevertheless raised the target for this year.
- The Agency is receiving lots of crank calls, even some from []
- The FBIS propaganda account in the DDO has been transferred to []
- [] has done up a presentation on the "double track" system which is intended to permit some higher grades for non-supervisory specialists. She will replay it for the DDCI.
- We will soon receive guidance on which files are exempt from FOIA and which are not. Apparently not many FBIS files will be exempt.
- November is the time to schedule A/L which employees will be unable to take, in order to avoid restoration later. AS will notify the field.
- DDA will assign a person to Key Building to handle plane-ticketing. Domestic flights only at first, but activity could expand to handle foreign TDY or even PCS processing.
